I am asked to speak to you on the Imminent Return of the Lord. In the second chapter of Titus, from the 11th verse, "for the grace of God that bringeth salvation hath appeared to all men." There is not a person on the whole face of the earth to-day but what that soul could be saved. Christ has saved him. Aye, more than God's great ocean of love has been extended to him. God is love. Out of the fullness of God's love. Do you comprehend that, the Fullness of God's And there is only that little something, that little "will" of ours up here that stands between us. All because of this will, that brings all the misery and agony and havoc. Then he shows that we should live soberly and righteoasly in the world. looking for the appearing of the blessed Jesus Christ.

Beloved, do you not see how sweet it is to love and obey God? God does not bring misery and suffering; man brings that on himself God gives man a satisfying life if he will but take it. LICENSE THE CAT

Until recent years the question of licensing the cat has been laughed down wherever it has been present-Stop all waste, using garbage ed. It is not a joke today. New York has a bill providing for such licenses before its Legislature. Massachusetts is debating the question. New Jersey already has such an act.

E. A. Forbush, Massachusetts State ornithologist, has made a He declares that it is more dangerous to birds than any native animal that roams the woods. It is a nocturnal hunter, a splendid climber, a good stalker, and a strong leaper. Moreover, it is only half domesticated, and reverts to the wild state more easily than the dog.

Statistics show that the ordinary city cat destroys at least one bird a week. The semi-wild cat in the country lives entirely upon birds and small animals.

In the proposed bill there is no
